

GUIDELINES FOR DELIVERING MOVIE FILES

- Content must be supplied as an .mp4 file and uploaded via the Allrent Content Portal.
- Content must be submitted no later than 5 working days before delivery.
- If multiple screens are included in the same order, please clearly indicate which content belongs to which screen type.
- PPT files, YouTube links, individual images in graphic file formats (such as AI, EPS and PDF), and (Android) apps cannot be processed.
- Please note: It is important that the end customer always brings a copy of the content on a USB drive. The end customer remains responsible for the content.

Below you will find the specifications for each screen type, including the supported codec(s) and frame rate(s).
